The screenshot shows a dark-themed login interface for 'swablab'. At the top left is a white back arrow. In the center is the 'swablab' logo, which consists of a teal gear with a lightbulb shape inside, containing three stylized figures. Below the logo is the text 'swablab' in a teal, lowercase font. The main heading 'Password' is in a large, white, sans-serif font. Below it is the instruction 'Enter your login data.' in a smaller white font. There are two input fields: the first contains a red circular profile icon with the letter 'M' and the text 'manuelk'; the second is labeled 'Password' and is currently empty. At the bottom left, the text '[Reset Password](#)' is displayed in a teal color, with a white hand cursor icon pointing at it.
