2. *reset password* anklicken

The screenshot shows a dark-themed login interface for 'swablab'. At the top left is a back arrow. The logo, featuring a gear with a person icon inside, is centered at the top. Below the logo, the word 'swablab' is written in a stylized font. The main heading 'Password' is centered, followed by the instruction 'Enter your login data.'. There are two input fields: the first contains a red circular profile icon with the letter 'M' and the username 'manuelk'; the second is labeled 'Password' and is currently empty. At the bottom, the text 'Reset Password' is displayed as a blue hyperlink, with a hand cursor icon pointing at it.

3. den Anweisungen der Passwort zurücksetzen E-Mail folgen
